

BASSI

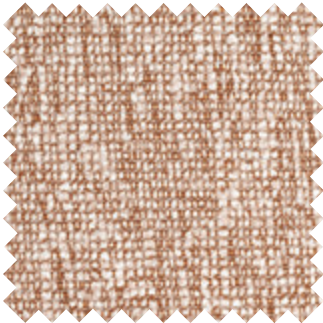

Bassi is geweven op een dobby weefgetouw en bestaat uit 100% polyester. De stof heeft een onregelmatige bouclé en vlak garen, wat zorgt voor extra diepte en levendigheid in dit mooie en luxueuze textiel. Het garen is stuk-voor-stuk geverfd, wat zorgt voor een contrastrijk en rijk ogend uiterlijk.

Bassi is woven on a dobby loom and consists out of 100% virgin polyester. It has an irregular bouclé and flat yarn, which gives extra depth and liveliness to this nice and luxurious textile. Yarn dyed, which creates a contrasting and ultimately rich appearance.

Composition	100% Polyester

PIRO / PEDRO

PIRO
Piro is een hele mooie bouclet-actige stof die heel zacht aanvoelt. Gemaakt van 100% Polyester en geschikt voor intensief gebruik. Er is een heel mooi kleurenpalet beschikbaar met frisse kleuren en mooi te combineren met onze kunstleer Buster.

It's a beautiful bouclé-like fabric that feels very soft to the touch. Made of 100% polyester and suitable for intensive use. It comes in a lovely color palette with fresh tones and pairs beautifully with our Buster faux leather.

PEDRO
Pedro is 100% zachtheid, gemaakt van nieuwe polyestervezels, en dit volumineuze textiel vervult al je wensen op het gebied van comfort en gezelligheid. De meerkleurige en subtiële hoog-laagstructuur geeft het meubelstuk een prachtige uitstraling.

Pedro is 100% softness made of virgin polyester and this voluminous textile will fulfill your wishes for comfort and coziness. The multicoloured and subtle high-low structure gives an amazing appearance to the furniture.

PRATO

De Prato is een jacquards geweven stof. Dit betekent dat twee garengroepen haaks op elkaar staan, waar chenille garen in de stof wordt geweven. Dit geeft de stof een stevig, zacht en vol gevoel en aspect. Vanwege het chenille garen is er kans op een zitspiegel.

Prato is a jacquard woven fabric. This means that two types of threads are positioned perpendicular to each other and have chenille threads woven in-between. It gives the fabric a firm soft feel. Because of the chenille threads a shimmer on the seat can occur.

Composition	72% Polyester, 28% Polypropylene
